## Taming of the Schrew, Doubt, and Ion

L'Ami, Volume 77, was produced by Hannah Wilcox: editor-in-chief, and Logan Burt: assistant editor at George Fox University in Newberg, Oregon and was printed by Herff Jones, Inc. The account was serviced by Genie Westfall and Robert Griffin. Professional portraits were done by Ron Dingman, sports photos were provided by the Athletics department, and theater photos were provided by the Theater department. Thank you to the Darkroom staff for all the hard work, and to all of the students who submitted photos. And a special thank you to Genie for all your hard work and dedication; we thank you and are so blessed to have you as our representative, Fox's yearbooks would not be completed without your commitment.
